# Proposal #4: Determination of compensation in order to grant transfer-restricted shares to Directors

Although the annual amount of compensation within JPY 350,000 thousand (Provided, however, that, a portion of compensation for employees is excluded) for directors (Outside directors excluded. Hereinafter referred to as "subjected directors") of the Company was approved at the 84th annual general meeting of shareholders held on June 23, 2006, we would like to request an approval for new payment of compensation to grant transfer-restricted shares to the subjected directors, by special frame different from the said compensation frame, in order to provide incentives to intend sustainable improvement in corporate value of the Company, as well as promote further sharing of value between the subjected directors and shareholders.

With respect to the total amount of monetary compensation to be paid to the subjected directors in order to grant transfer-restricted shares, based on this proposal, the annual amount shall be within JPY 30,000 thousand, as an appropriate amount in taking into account the said purpose.

In addition, the subjected director shall contribute in kind for the amount in full of the monetary claims derived from this proposal based on the resolution at the Board of Directors' meeting to receive issuance or disposal of common shares of the Company. With respect to the common shares to be issued or disposed, the annual total number is within 140,000 shares (Provided, however, that, in cases where splitting (including allotment of shares without contribution for the Company's common shares) or consolidation of shares for the Company's common shares is conducted, or adjustment of upper limit of the total number of allocated shares conforming to the said cases, upper limit of this total number may be appropriately adjusted.), and the payment amount per share shall be the closing price of the Company's common share at the Tokyo Stock Exchange on the business day prior to the date of resolution at the Board of Directors' meeting (when a transaction is not closed on the said day, it shall be the closing price of the day immediately prior to the day.). Furthermore, when Proposal #2, "the Appointment of 13 directors" is approved and passed as drafted, 9 directors will be subjected.

In issuance or disposal of the Company's common shares due to this, the transfer-restricted share allocation contract which contains the summarized contents mentioned below (hereinafter referred to as "this allocation contract") shall be concluded between the Company and the subjected directors.

#### (1) Transfer-restricted period

The subjected director shall not follow the procedures, such as transfer, setting of security interests, and others (hereinafter referred to as "restriction on transfer") for the Company's shares allocated (hereinafter referred to as "these allocated shares") due to this allocation contract, during the period between the date to receive allocation due to this allocation contract and the date of retirement from the post of director (hereinafter referred to as "the transfer-restricted period").

#### (2) Removal of restriction on transfer

The Company shall remove restriction on transfer for all of these allocated shares, at the time immediately after the expiration of this transfer-restricted period, on condition that he/ she occupied the position of director during the transfer-restricted period. Provided, however, that, when he/she loses the position of director, preceding the expiration of certain period, due to the grounds that the Board of Directors finds justifiable, the number of these allocated shares of which restriction on transfer is to be removed shall be determined by this allocation contract and the Regulations of Transfer-restricted Share-based Compensation prescribed by the Company.

## (3) Free acquisition of these allocated shares

When the subjected director retired, due to the grounds other than those which are found justifiable by the Board of Directors, or when he/she falls under certain grounds prescribed in this allocation contract, the Company shall acquire these allocated shares for free, as a matter of course.

In addition, the Company shall acquire these allocated shares of which restriction on transfer is not removed pursuant to provision (2) mentioned above, for free, as a matter of course, at the time of expiration of the transfer-restricted period.

## (4) Handling in the case of organizational restructuring and others

Despite of provision (1) mentioned above, when the merger contract that the Company becomes an extinct company, the share exchange agreement or the share transfer plan to make the Company become a wholly owned subsidiary, and other items related to organizational restructuring and others are approved at the general meeting of shareholders of the Company (Provided, however, that, when the approval for the said organizational restructures and others at the general meeting of the shareholders is not required, it shall be approved at the Board of Directors' meeting.) during the transfer-restricted period, the Company shall remove the restriction on transfer for these allocated shares of which number is determined appropriately in taking into consideration the period between the date of commencement of the transfer-restricted period and the date of enforcement of the said organizational restructuring and others, preceding the date of enforcement of the said organizational restructuring and others. In addition, in this case, the Company shall acquire these allocated shares of which restriction on transfer is not removed at the time immediately after the removal of restriction on transfer, for free, as a matter of course.

#### (5) Other items to be prescribed at the Board of Directors' meeting

Besides the items mentioned above, the method of manifestation of intention and that of notification in this allocation contract, the method of revision of this allocation contract, and other items to be determined at the Board of Directors' meeting shall be the contents of this allocation contract.

In addition, the shares allocated to the subjected director due to this system will be managed in an exclusive account of the brokerage designated by the Company, opened by the subjected director during the transfer-restricted period, in order that he/she may not follow the procedures, such as transfer, setting of security interests and others, during the transfer-restricted period.
